

THE 16TH
ASIAN CONFERENCE ON CHEMICAL SENSORS

November 5/Sun. – 8/Wed, 2026 | Seoul National University, Seoul, Korea

Associate Professor. Takeshi Onodera

Kyushu University , Japan

Takeshi Onodera received his Bachelor of Arts degree from Toyama University of International Studies, Japan, in 1996. He received his Master of Education in technology education, and his Ph.D. in engineering, from Kanazawa University, Japan in 1998 and 2001, respectively. He is currently an associate professor at the Faculty of Information Science and Electrical Engineering, Kyushu University. His research focuses on the development of chemical sensors for taste and odor sensing.
