Seoul National University, Seoul, Republic of Korea

Sponsorship Prospectus

Welcome Message

We are pleased to invite you to participate in the 16th Asian Conference on Chemical Sensors (ACCS 2026). The conference will be held at Seoul National University in Seoul, Republic of Korea, from 8 to 11 November 2026.

ACCS 2026 is a multidisciplinary meeting of scientists and engineers engaged in research and innovation in the field of chemical sensors and related areas, with a focus on advancing sensor technologies through AI. The conference provides an excellent platform for the exchange of knowledge and ideas, as well as valuable opportunities for collaboration and networking among researchers, engineers, and industry professionals.

It will also serve as an important occasion for early-career researchers to build connections with leading experts in the field of chemical sensors.

ACCS 2026 will be organized by the ACCS 2026 Organizing Committee in cooperation with the Korean Sensors Society. The conference will feature a variety of programs and activities that promote scientific exchange, collaboration, and industry engagement.

In addition, ACCS 2026 offers a range of sponsorship and exhibition opportunities designed to maximize your organization's visibility and impact. Sponsors will benefit from extensive brand exposure to a highly targeted audience of leading researchers, engineers, and industry professionals in the field of chemical sensors and AI-enabled technologies.

The conference will provide direct access to potential collaborators, clients, and key decision-makers, creating valuable opportunities for business development, technology showcase, and strategic partnerships. Through tailored sponsorship packages, your organization can effectively promote its products, services, and innovations while strengthening its position in the global market.

We are honored to invite you to ACCS 2026 and look forward to welcoming you to Seoul in November 2026.

Thank you very much.

Sincerely,

Prof. Hyung-Gi Byun

Conference Chair, ACCS 2026

Professor, Kangwon National University
